

Franchise Manager:

Applicant will work for Naan & Curry Las Vegas; an expanding quick serve restaurant brand known for serving affordable Indian grub between three locations; Henderson and Las Vegas. The Franchise Operations Manager (FOM) is responsible for training and supervision of existing locations and overseeing expansion of new store openings.

Primary Responsibilities:

Manage staff work schedule effectively between two locations in order to accommodate changes in opening schedules and stretch assignment activities. Maintain a high level of knowledge and skill in all areas of restaurant operations and training. Contact store managers consistently prior to opening to schedule any assistance needed. Maintain regular follow-up with restaurants post open and visit stores that are not performing well. Consult with outside Franchise Business Consultants to develop a plan of action to address deficiencies and ensure brand standards are met. Confer with management regarding hiring, placing food orders and uniform ordering. Oversee hiring process and recommend store improvements to maximize sales.

Minimum Requirements: Bachelors' in Business Administration, Management, Restaurant Management or Related Field plus 1 year restaurant management experience of which 6 months must be front of house and 6 months back of house. Must have ServSafe certificate.

All interested applicants should contact Naan and Curry, LLC regarding this position by sending resumes to 5586 Wild Olive St., Las Vegas, NV, 89113
